

sokoban\_driver

```
graph TD; A[sokoban_driver] -- 12 --> B[lib_sokoban_core];
```

The diagram illustrates a dependency between two components. At the top, a light blue rectangular box with a dark gray border contains the text 'sokoban\_driver'. A blue arrow points vertically downwards from the bottom center of this box to the top center of a second box below it. To the right of the arrow's shaft, the number '12' is written in blue. The second box is also light blue but has a red border and contains the text 'lib\_sokoban\_core'.

lib\_sokoban\_core
